

MAY-JUNE 2025 REPORT FROM ROMANIA

Page 1

The Lord's mercies endure forever as He manifests His love for each person on the earth! However, there are time limits and seasons in how He shows His continuous love while dealing with each one of us. At times, He directs us through His truth and justice, showing us the path of life while chastising us—just to encourage us to look into His face again. Hold on to the path of Life paved by truth and justice to see and experience His eternal, indescribable, perfect daily love overshadowing us.

Greetings from Romania, where we have been since mid-April!

We've had an outpouring of love and passion in ministry, reaching the people of Romania in different seasons of their lives.

At present, we are teaching individuals and groups, churches, in special meetings and classes, and in leadership seminars. We are also reaching into prisons, as well as to children, youth, and students.

Our ministry journey has taken us from the west to the north, and from the mid-west to the south, toward the east and central Romania. These regions include large and mid-size cities and their surroundings—Timisoara, Bistrita, Suceava, Motru, Craiova, Brasov, and the regions of Transylvania, Moldova, Oltenia, and Muntenia. In all these places, we are working with groups of pastors, strengthening disciples and spiritual sons who are making a great life impact in their local areas by planting churches, evangelizing, making disciples, and raising mature sons of the Kingdom of Christ on the earth.

A Special Visit from Legendary Missionaries

For a couple of weeks, we had the great honor of hosting one of the greatest missionaries of all time—prophet, pastor, evangelist, and teacher—the ninety-year-old Apostle Harley Fiddler, a great man of God. I knew him as a teacher when I studied at Christ for the Nations in Dallas. Since then, he has become a full-time supporter and sponsor—not only of me but also of many other leaders in Romania. Over the years, he has made several missionary trips here. Harley is one of my spiritual fathers from whom I have learned a lot. After CFNI, he founded and still leads InterFocus Ministries, reaching nearly 100 countries. It was his goal to minister with us in Romania at the age of 90, and that vision has been fulfilled. He ran alongside us like a young man—some much younger people were humbled by the passion and divine strength in this man of God. Alongside him was Bert Block, an 87-year-old missionary working in Deva, Romania, for the past five years, as well as in Mexico and South America. He has helped thousands of unbelievers not only to receive a Bible of their own but to actually read it.

These two great pioneers of solid faith—Harley and Bert—have been laboring for over seventy years of uninterrupted life ministry. They continue their fire-filled ministry for another week in eastern Romania with my dear friend, Pastor Costel Gramada, one of my spiritual sons, working in the Urziceni area.

Seminars Across the Nation

The cities where seminars were held—either for one or two days—were locally led by key regional pastors and spiritual sons:

- Life Center, Timisoara: Pastor Tica Stroia
- Motru: Pastor Milo Novacovici
- Piscu Vechi: Pastor Gigel Ignat
- Brasov: Pastor Joseph Belea
- Urziceni: Pastor Costel Gramada

In this way, we covered nearly half of Romania—from west to south, central, and eastern regions. Anointed teaching, manifested through the Holy Spirit, brought miraculous results in each of these Bible seminars. Life commitments were made, healings took place, and seeds for new churches and ministries were surely planted and already showing fruit.

Northern Romania—Suceava

While in Suceava, northern Romania, together with Viorica and Christina, we were actively involved in meetings at Light Church. We also trained leaders for outreach ministries as Pastor Daniel Baltaru builds a ministerial team to reach the white, ready harvest fields around them. There is a great need for spiritual ministry here—counseling and encouragement especially—as we continue our work in sonship and discipleship ministry.

Children's Ministry

Pastor Daniel places a strong emphasis on reaching children and youth, both in church families and in state-run children's homes. Many of these children are orphaned or abandoned at birth. We minister to them with the love of Jesus, stepping into the huge void left in their lives. Many children are receiving Jesus, reading their Bibles, reciting their favorite Scriptures, and singing songs with us.

Prison Ministry

We also bring life and encouragement to the families and children of incarcerated parents. One powerful ministry is called "A Day with the Father or Mother." It brings children together with their imprisoned parent for a few hours. During this time, the children sing Bible songs and recite Scriptures, showing their love both for their parent and for God the Father. This time is filled with joy—tears, laughter, and smiles.

I first sat at each table with the imprisoned parents, spoke a personal word from God, and prayed with them. Then, as their families entered, I returned to each table, shared a meal with them, and blessed them as a family. This ministry helps bring families to Christ, and many of them start attending local churches. First, the wife and children attend, and after the father is released, the whole family often comes together and gets baptized, becoming full church members. Lumina Church has welcomed several of these families into its community.

This is a ministry the Lord commanded us to start—and we simply obeyed. The fruit speaks for itself.

Be Part of This Ministry

Please pray and see if you could be a part of this outreach in Romania.

Summer Camps on the Horizon

The next ministry season will bring our usual children and youth summer camps. Our families, leaders, and pastors are excited to see these children blessed, happy, and saved for eternity. We have amazing testimonies from past summers, and we are praying for more.

Please pray with us that Jesus will reach these precious hearts and bring them into the arms of our heavenly Father. Please consider your next step of giving—and even doubling your gift—during this season of intense outreach. Thank you for staying connected with your family in Romania!

My family and I extend our heartfelt thanks to those who faithfully support our ministry and respond to the needs we encounter.
